#### Packaging Instructions and Decal Placement

##### D350-578-013

Place one bearpaw in box. Wrap hardware in a piece of foam so that the foam package is only about 4" wide. Place the package into the bore of the second bearpaw. Insert the second bearpaw into box on top of the other bearpaw. Nest the bearpaws into each other. Add paperwork. Fill any excess space with foam to prevent any movement. Seal box and apply label D2729-3 as per instructions in card 1014.
